

## Shamrock Auction

The Shamrock Auction is St. Paul School's largest fundraising event. Proceeds from the event help maintain the highest level of programs at St. Paul School and fulfill the mission of Catholic Education. In addition to raising monies for St. Paul's School, the auction is a wonderful opportunity for sharing an evening of fun and festivities with fellow SPS families.

Shamrock Auction 2010 was a great success! We thank everyone who participated but especially appreciate our donors. When possible, please patronize these donors and express your personal thanks for helping us reach our goal.

Meet "Seamus", a Multi-Pom, who was part of the Live Auction. This adorable puppy has found his fur-ever home with one of our SPS families.

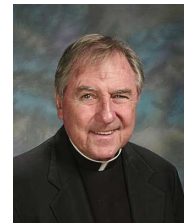

Other Live Auction items were a BBQ Bash for Twenty (value \$960), a NYC Broadway Weekend for Two (value \$1000), a Cape May Getaway for Two (value \$750), and Two New York Giants tickets (value \$3000).

Each homeroom created a project to contribute to the Live Auction. Each year we are amazed at the creative talent of our children. These projects are priceless treasures that will bring warm memories of life at St. Paul School.

The Shamrock Auction also consists of games-of-chance and a Silent Auction. One game, the Treasure Chest, provided the lucky winner with a beautiful piece of jewelry (value \$500). Keys to the chest were only \$10!

Our Silent Auction offered items such as a Framed and Autographed Photograph of the Class of 2010 (priceless), a French Cuisine Cooking Class and Dinner for a Couple (\$325 value), an X-Box 360 Elite Console (\$300 value), and a Private Mass in your Home with Monsignor Nolan (priceless).

**Mark your calendars for Shamrock Auction 2011—Saturday, March 12, 2011.**

**It takes many hands to make this event a success. Please reach out to our co-chairs, Beth and Kristana, if you can help.**
